

Checklist for Machine Quilting

- Press top and back
- Square top and Back
- Backing and batting same width and 8-10" larger than top
- Mark with safety pin and paper edges of top and back, especially if directional
- Make appointment quiltsppraised@comcast.net . Plan at least 6 weeks prior to finish goal.
- Look at quilting designs and color of threads.
Communicate those choices at appointment or before.
- You found a pattern from another designer. If generally pleasing, Julie will pay half the costs for that pattern
legacyquilting ,sweetdreamsqiltingstudio, and
annebrightdesigns are a few places to look
